

## Adjustable Magic Platform

Designed specifically to meet all the requirements of the Working at Height Regulations 2005, the Adjustable Magic Platform combines all the latest features to provide a safe, convenient, flexible and highly portable one man working platform.

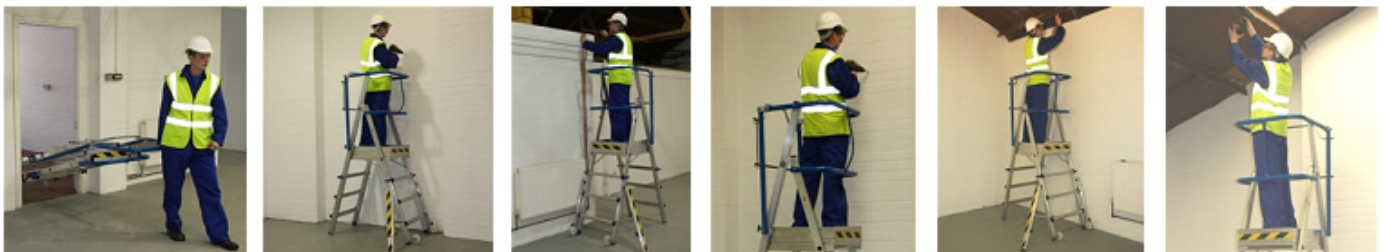

- Easily transported on large diameter wheels through most standard doorways
- Assembled in seconds
- Integral locking stabilisers, can be adjusted to allow working against a wall
- Well proven and reliable height adjustment
- Large platform area with toeboards
- Self closing gate for safety
- Full guardrail allows 360° working

The Adjustable Magic Platform is available in two model sizes – Standard, (1.08m – 1.60m), and Large, (1.60m to 2.15m). The special Extension Legs for each model can also be purchased separately and changed to suit the exact job requirements.

Code	Height (m)	Closed Dimensions (m)	Platform Size (m)
AMP	1.08m – 1.60m	2.46 x 0.76 x 0.49m	0.60 x 0.525m
AMPL	1.60m – 2.15m	3.02 x 0.76 x 0.49m	0.60 x 0.525m
AMP029	Extension Legs – Standard Size - Front		
AMP030	Extension Legs – Standard Size - Rear (Including Stabilisers)		
AMP031	Extension Legs – Large Size - Front		
AMP032	Extension Legs – Large Size - Rear (Including Stabilisers)
