

## Clow 5 Way Platform Ladder

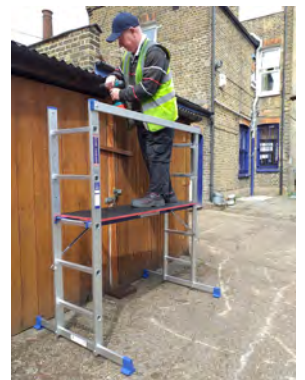

The Clow 5 Way Aluminium Platform Ladder is an extremely versatile, lightweight multi-functional model with 5 positions in 1 portable package.

Combining a stepladder, extension ladder, single section ladders, a working platform and stair platform all in one product, the 5 Way is quick to set up, easy to use and offers a robust alternative to typical multi-function ladders.

Including a large, slip-resistant working platform with wraparound platform brace hooks to secure. Rigid construction with wide base stabilisers and slip resistant feet offer enhanced stability, safety and security.

With a Maximum Load of 150kg, the 5 Way is certified to European Standard EN131 and is suitable for light commercial trade work and all types of DIY use.

Code	Step Ladder Height	Extended Length	Platform Height	Stabiliser Width	Platform Dimensions	Weight
AE5WAYA	1.48m	2.47m	0.85m	0.9m	1.2m x 0.4m	15.5kg
