

Clow EN131:Professional Superglas® 2 Tread AR Platform Step

The all new Clow Superglas® 2 Tread AR Step is a superb addition to the Clow Superglas® AR range of steps.

Sturdy and durable the Clow “All Round” Platform Step offers safe 360° access from a strong supporting platform.

Wide integrated handrails, a wrap-around rear guardrail and gravity locking front guardrail means this step provides users with a safe and secure non-slip platform ideal for wide range of tasks.

Manufactured with insulated GRP stiles, rigid back bars, reinforced non-slip treads and parallel steel locking stays together with transport wheels make this step robust and easily manoeuvrable.

The complete Clow Superglas® AR range is available in 2, 3, 4, 5, 6, 7 and 8 tread sizes.

The AESAR02 is supplied with handrails fitted while larger sizes in the range are flat packed. All sizes are supplied complete with the necessary tools for full assembly.

Conforming with the new European EN131 Professional standard this step safely supports a maximum load of 150kg.

Code	Treads	Height to Platform	Platform Dimensions	Open Height	Closed Height	Width	Weight
AESAR02	2 Tread	0.57m	0.40m x 0.40m	1.665m	1.82m	0.60m	10.10kg
