## CEP500 Safety Harness

**EN361:2002**  
**EN1497:2007**

Web: [www.ladders-direct.com](http://www.ladders-direct.com)

Email: [sales@ladders-direct.com](mailto:sales@ladders-direct.com)

The CEP500 Safety Harness is an easy to use fall arrest harness. It's ergonomic design with pads, breathable vest and automatic buckles means this safety harness is quick and easy to adjust to user requirements. Immediate access to tools is provided via equipment holders and integrated loops and both metal and textile attachment points provide tremendous versatility.
