Clow BS8620 Podium Step

Clow Podiums are BS8620 CERTIFIED, anti-surf and supplied complete with self closing gates.

Available in six different platform heights: 0.75m, 1m, 1.25m, 1.5m, 1.75m and 2m.

- Manufactured from aluminium – lightweight and robust
- Safe Working Load: 150kg
- 1m high guardrail system which surrounds the perimeter of the platform protecting the user from risk of falling
- Large non-slip platform
- Fitted with 2 (125mm/5" diameter) lockable swivel castors
- Anti surf base plates fitted to the front of the podium. ***Important*** note many sites have now made these a mandatory requirement.
- 2 x outriggers are supplied with all podium steps for maximum stability
- Our podium steps can be folded flat for easy storage and transportation
- Approved and certified to BS8620 Standard by British Standards Institute (BSI)
