

## Mobile Warehouse Steps

Suitable for most Commercial and Industrial applications.

These robust Mobile Warehouse Steps are available in a comprehensive range of sizes with platform heights ranging in size from 0.5m, (1'8"), to 3.25m, (10'7").

The Mobile Warehouse Step is fitted with a double handrail as standard and the step treads are 500mm wide by 190mm deep, (other tread widths are available in two finishes – either with a punched steel tread as standard or with an optional anti-slip PVC covered tread).

The Mobile Warehouse Step is manufactured from tubular steel and finished with enamel paint applied via an electrostatic paint process.

| Code | Treads inc Platform | Platform Height | Overall Height | Overall Width at Base | Overall Length at Base | Approx Weight (kg) |
|------|---------------------|-----------------|----------------|-----------------------|------------------------|--------------------|
| SM02 | 2                   | 0.5m (1'8")     | 1.5m (4'11")   | 0.65m (2'2")          | 0.59m (1'11")          | 20kg               |
| SM03 | 3                   | 0.75m (2'5")    | 1.75m (5'9")   | 0.65m (2'2")          | 0.76m (2'6")           | 28kg               |
| SM04 | 4                   | 1.0m (3'3")     | 2.0m (6'7")    | 0.65m (2'2")          | 0.91m (2'2")           | 32kg               |
| SM05 | 5                   | 1.25m (4'1")    | 2.25m (7'4")   | 0.835m (2'9")         | 1.27m (3'9")           | 55kg               |
| SM06 | 6                   | 1.5m (4'11")    | 2.5m (8'2")    | 0.835m (2'9")         | 1.36m (4'5")           | 62kg               |
