## Steel Ridge Hook and Wheels

These replacement Steel Ridge Hooks and Wheels are suitable for use with the Clow Aluminium Roof Ladder.

The Clow Aluminium Roof Ladder is manufactured from light rectangular aluminium alloy with broad oval rungs at a 30° slope to allow a comfortable and safe foothold.

Underneath the stiles are aluminium bearers covered in rubber to ensure maximum depth in the interest of safety. All roof ladders are fitted with strong curved ridge hook and rubber tyred wheels as standard.

- ◆ Easily stored and transported
- ◆ Simple to fit
- ◆ Fits to most extension ladders for quick and easy conversion to a safe roof ladder
- ◆ Sturdy wheels to navigate the ladder up the roof and into position
- ◆ Steel construction with robust wheels for easy use
- ◆ Converts any ladder into a roof ladder in a couple of minutes
